# Congratulations!

Thanks for purchasing the Samba S Bass 2.1 System. We are sure that you will enjoy all kinds of music from our inspired quality product.

Designed and engineered by well credited team of experts, Lars&Ivan products assure to provide the best audio quality products to our customers. So whether you like jazz, rock, hip hop, alternative,...you will find that our products provide top quality sound. Design, quality, simplicity, and beauty are the criteria of Lars&Ivan products. We believe our designs matches perfectly with all living spaces.

Blend two Sambas by adding an S Bass, the result is a sound that quite simply leaves most other small sub based systems behind in the dust. The S Bass unit has been designed from the ground up to deliver a thrilling controlled bass sound. The active amplifier perfectly controls the output. The result is a musical combination covering an ultra wide sound spectrum usually the reserve of much large system.

The following manual contains important information about your new Lars&Ivan product. We recommend that you read the contents of this manual before using the equipment. Please enjoy!

Your Lars&Ivan team

# Others

This section describes the care and maintenance tasks that must be performed to optimize the operation of your Lars&Ivan component.

## **Cleaning of equipment external surfaces**

The exterior finish of your unit will last indefinitely with proper care and cleaning.

Never use scouring pads, steel wool, scouring powders or harsh chemical agents (e.g., dye solution), alcohol, thinner, benzene, insecticide or other volatile substances as these will affect the finish of the equipment. Likewise, never use cloths containing chemical substances. If the equipment gets dirty, wipe the external surfaces with a soft, lint-free cloth.

## **A note about recycling**

This product's packaging materials are recyclable and can be reused.

This product and the accessories packed together are the applicable product to the directive.

Please dispose of any materials in accordance with your local recycling regulations. When discarding the unit, comply with your local rules or regulations.

## **Warranty**

For warranty information, contact your local Lars&Ivan distributor.

## **Retain your purchase receipt**

Your purchase receipt is your permanent record of a valuable purchase.

It should be kept in a safe place to be referred to as necessary for insurance purposes or when corresponding with Lars&Ivan.

## **Important**

When seeking warranty service, it is the responsibility of the consumer to establish proof and date of purchase. Your purchase receipt or invoice is adequate for such proof.
